

Why design LucidiPevere

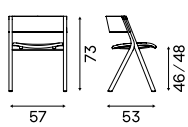

cat.: chair, stool

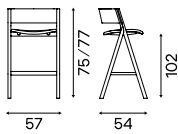

manufacturer: Cantarutti, 2018
materials: ash wood, fabric, leather

Why, is made up of a characteristic upside-down Y shape in which the legs join at the centre of the chair, becoming a single element that supports the backrest. The product family created by LucidiPevere is composed by an ash chair and stool with different finishes, whose seat and backrest are in wood or covered in fabric or leather.
